

# School ROCKS!

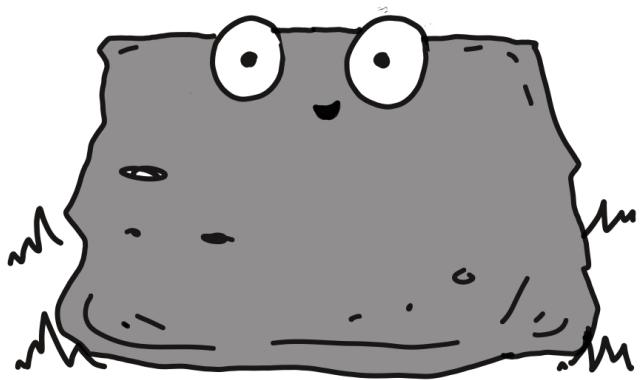

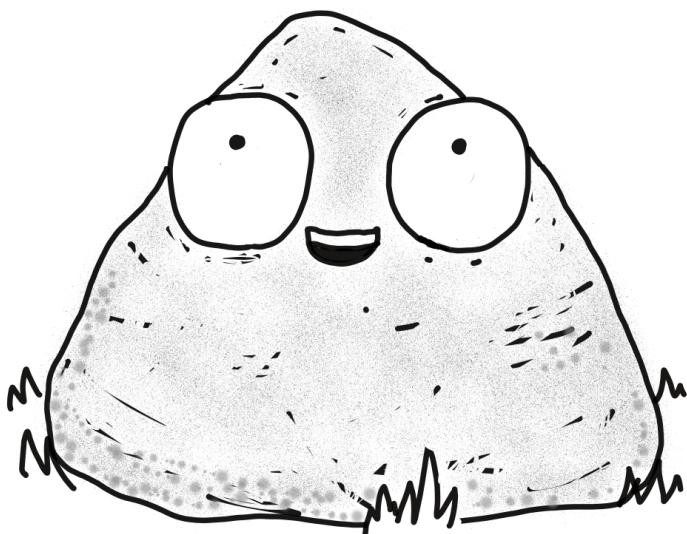

We are the school rocks.  
We lay in the grass.

We watch all the students  
as they're walking to class.

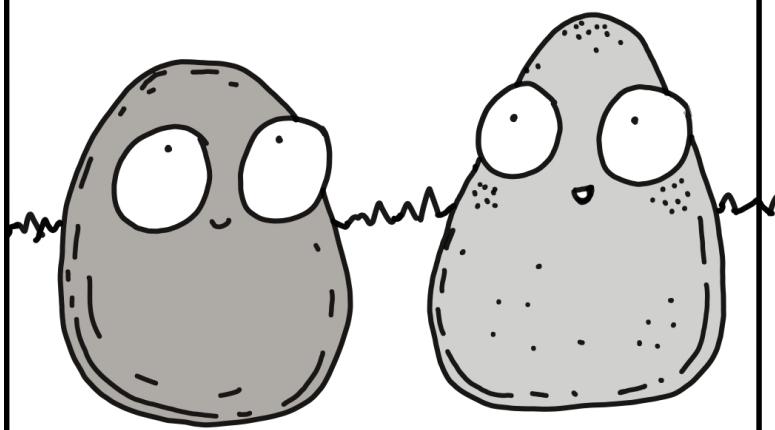

We see on their faces  
the nerves and the fear.

And we're here to say...  
It's going to be a great year!

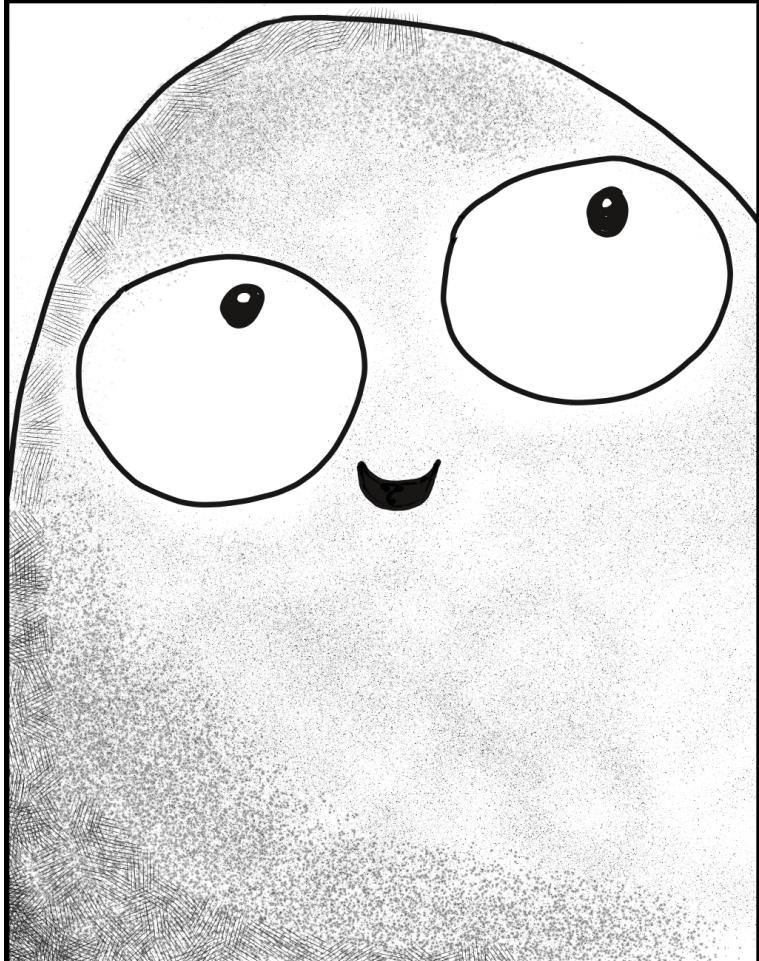

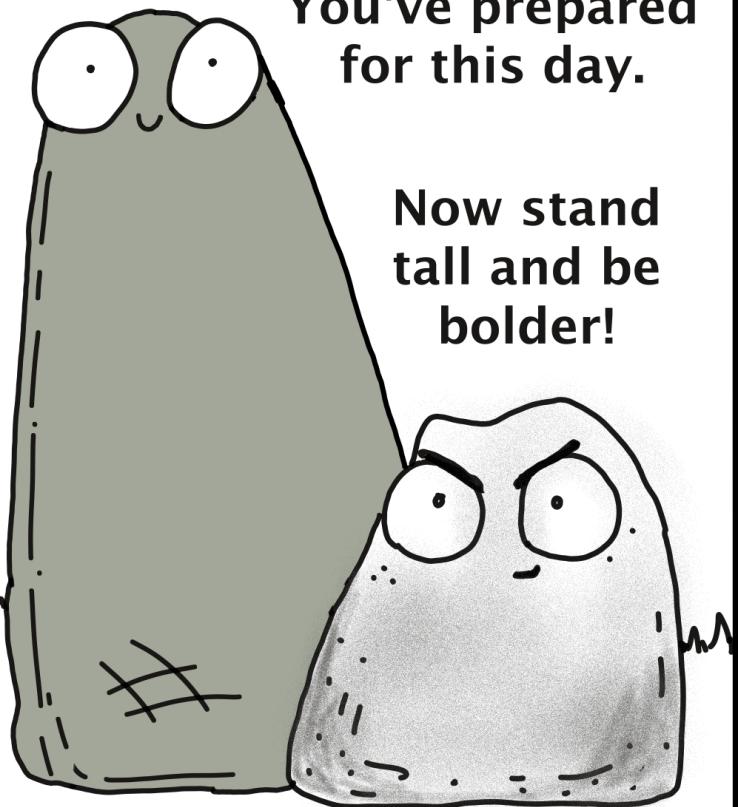

**It's a brand  
new grade!**

**You're a little  
bit older.**

**You've prepared  
for this day.**

**Now stand  
tall and be  
bolder!**

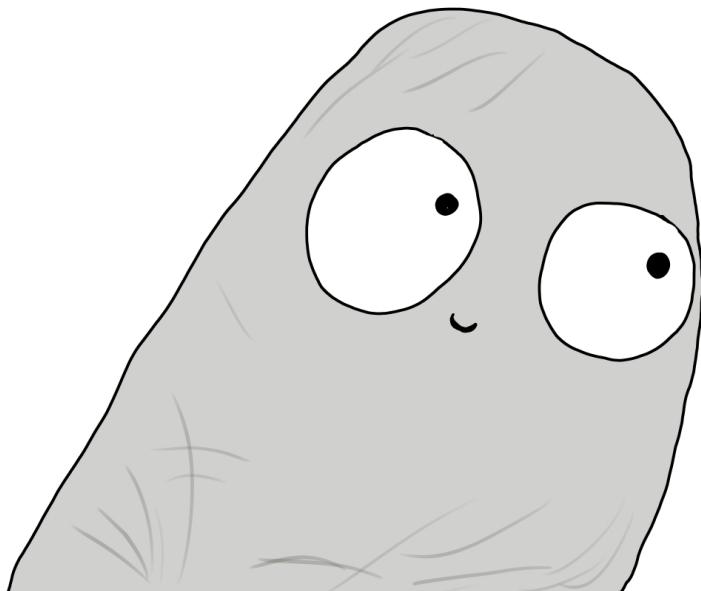

**So come close my  
new friend.**

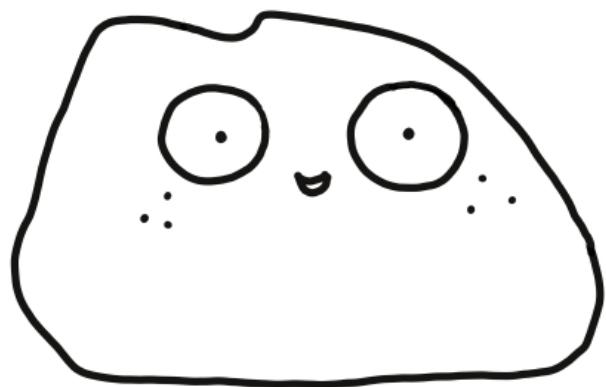

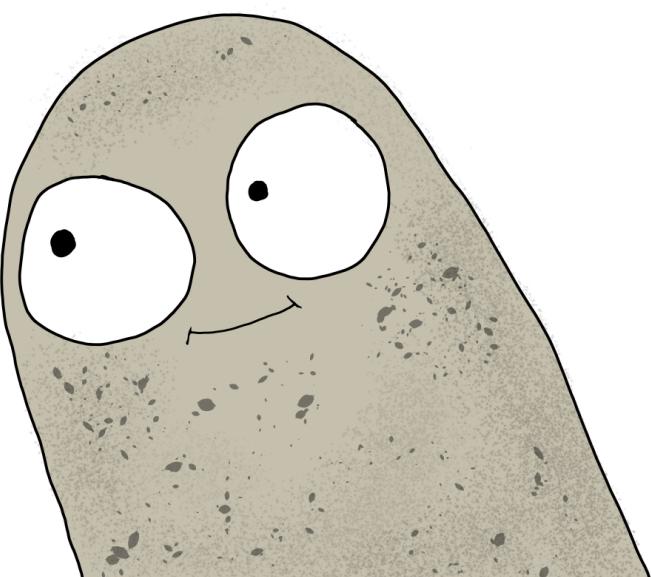

**We'll try not to yell.**

**We have lots  
of advice  
to make the  
school year go well!**

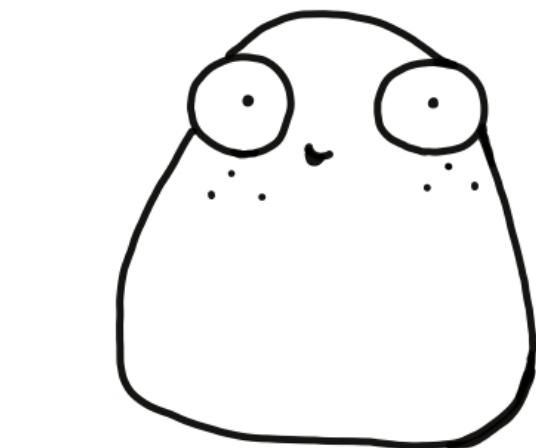

**Above all else,  
be kind to yourself  
and all your friends  
at school.**

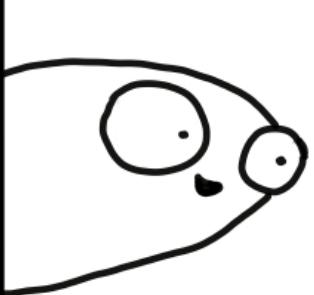

**The most important  
thing to remember  
is the Golden Rule!**

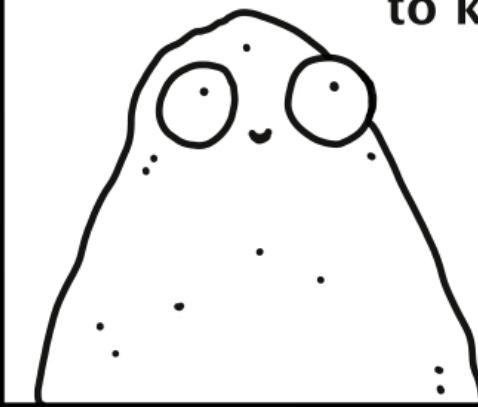

**Secondly, don't forget  
that you are not  
only caring...**

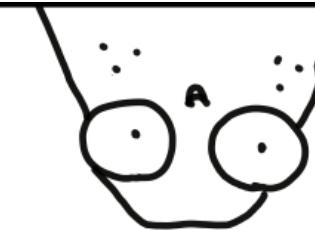

**But full of great thoughts  
that are worth sharing!**

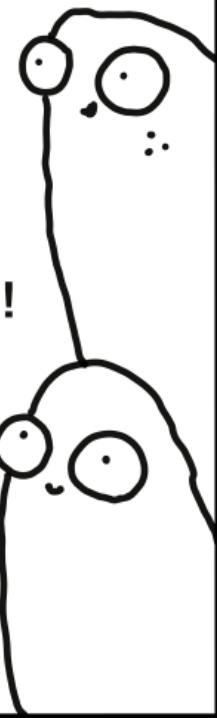

You're here  
to learn!

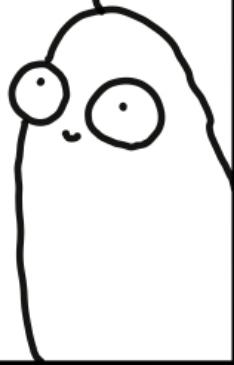

It's ok not  
to know!

Be curious!

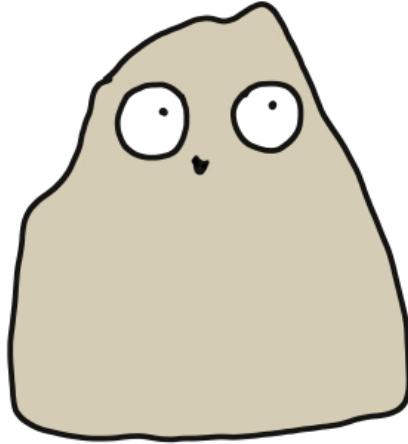

Ask questions!

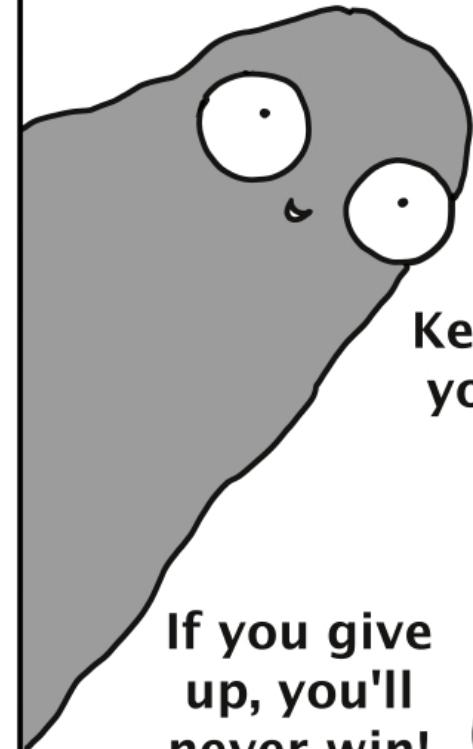

Let your ideas  
flow!

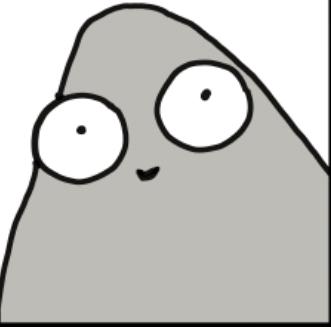

Learning new  
things  
can be hard.

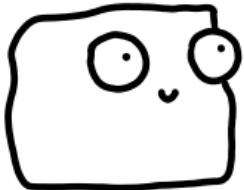

If you fail,  
try again.

Keep doing  
your best!

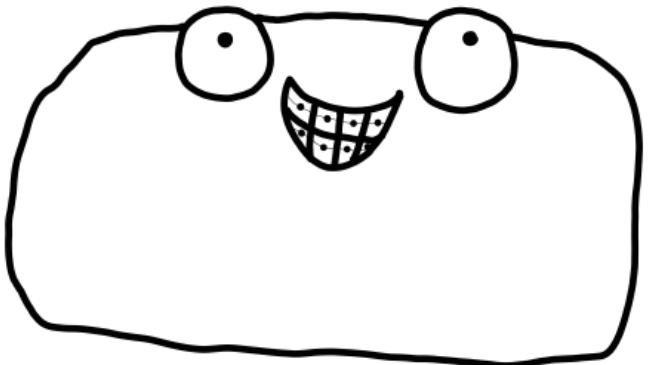

If you give  
up, you'll  
never win!

School is an adventure.

It's a marathon...  
Not a quick race!

And it will be more fun with a smile on your face!

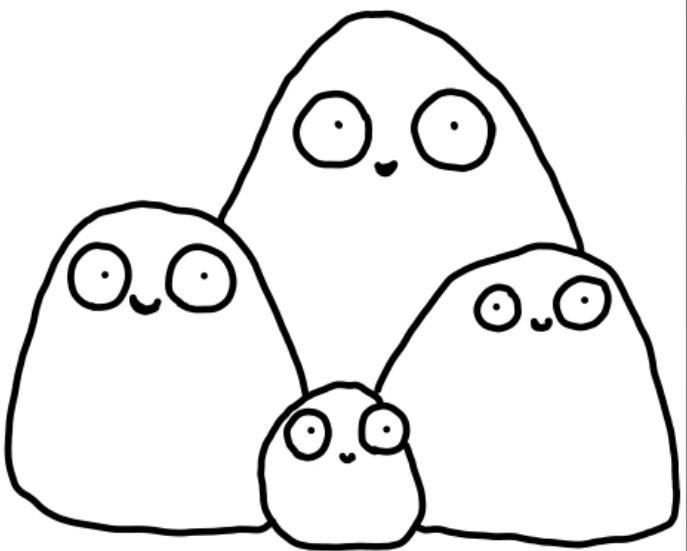

We are the school rocks.

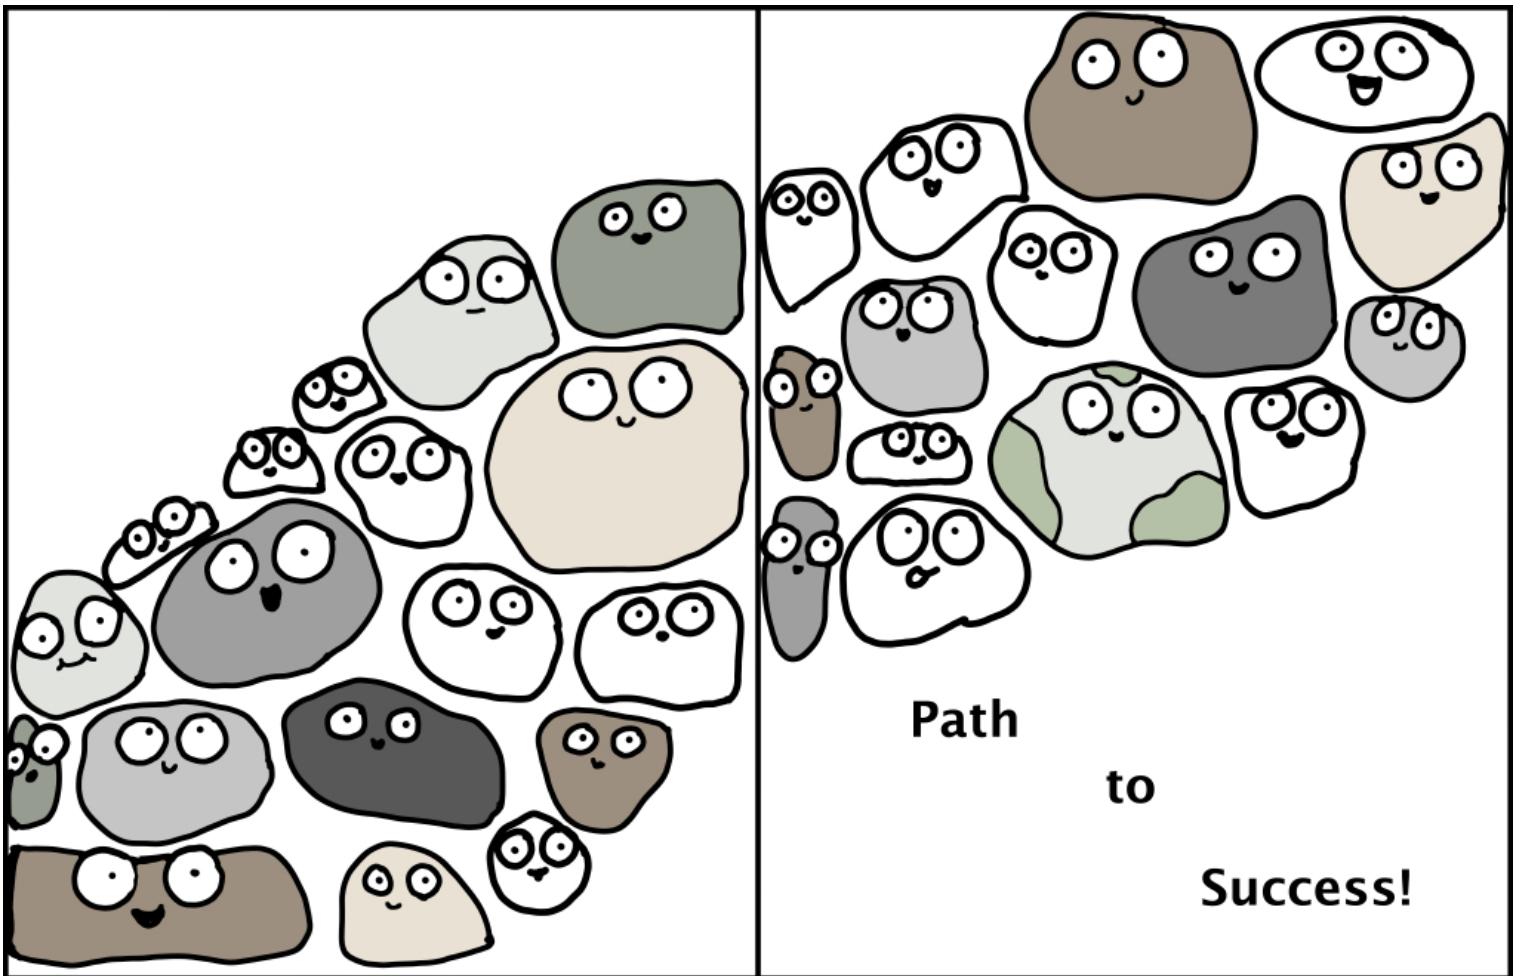

Some are small.

Some a mess.

But when you put us together you get a...

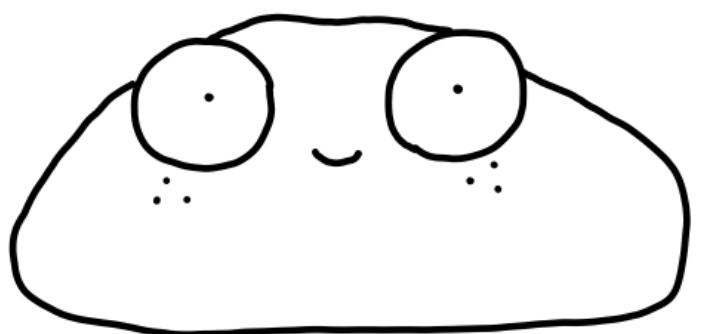

Path  
to  
Success!

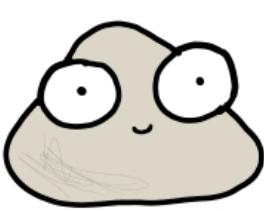

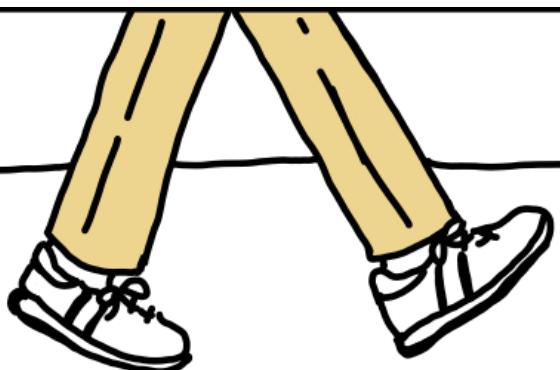

We have great  
advice.

But it's important  
to know...

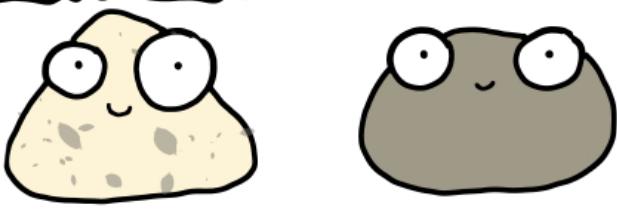

You've already got  
everything you need  
inside of you  
to grow!

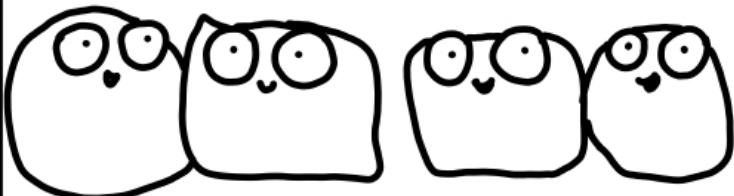

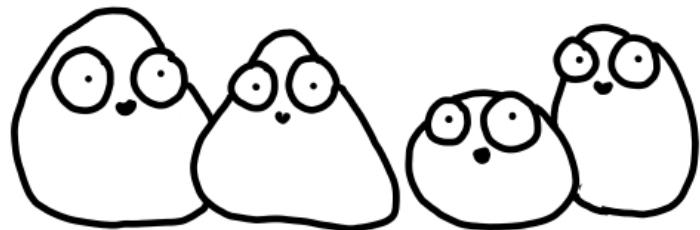

So keep walking students...

Tie your shoes.

Pull up your socks.

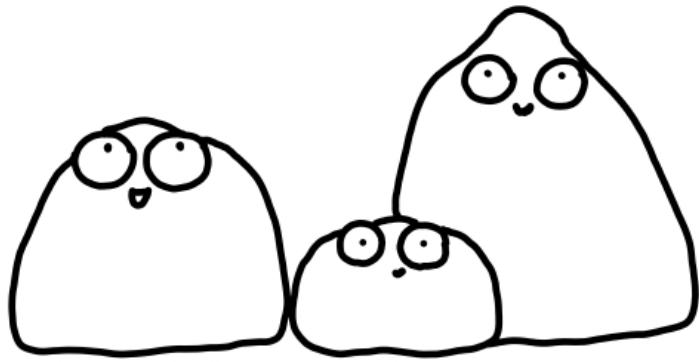

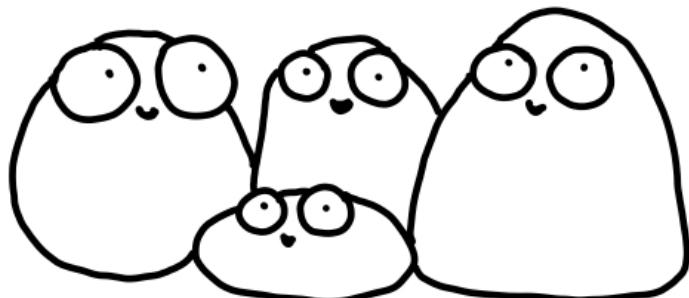

And if you need some advice,  
remember...
